Suggested “Fair-Share” Giving Guide

To help give a sense of what constitutes a “fair-share” pledge, the UUA Office of Congregational Fundraising Services has put together the following suggested giving guide, which is scaled and based on adjusted annual income.

	Supporter The church is a significant part of my life and promotes my spiritual growth.			Sustainer The church is central to my identity, and I am committed to sustaining our programs.			Visionary I am committed to both the present and future growth of my church.			Full Tither I designate 10% of my income to the church and other causes in living out my spiritual principles.
